

COVID-19 measures for visiting our pubs and bars

- Please do not visit us, if you are suffering, or have suffered in the past 14 days, from the symptoms of COVID-19.
- Please follow the safe distancing signage on arrival and through-out your visit.
- Please use our easily accessible hand sanitiser stations through-out your visit.
- Please wash your hands regularly with soap and water for 20 seconds.
- If you are wearing a face mask when you visit us, please keep it with you through-out and should you wish to dispose of it please use the bins indicated.
- Please avoid hugging and close contact with others and please sit with the group you arrived with.
- We have moved our furniture to ensure we can manage our capacity so please do not move the furniture around the venue.
- You may need to queue at the bar or for the toilets. Please respect the personal space of other guests.
- Payments should be made by Contactless (up to £45), via our App, or if paying by cash, according to the instructions at the bar.
- Children (if allowed entry into the pub or bar you visit) should always be supervised and remain with your group.
- On arrival at our venue you will be requested to provide your contact details in order to comply with government guidance. These details will be held securely for 21 days and only accessed should the NHS or government request so.
- If you need extra assistance, we will aim to offer this where we can. If you have special requirements, please speak to a member of our team and they will aim to assist you
